In His Name Ministries

a note from Tamryn.

Psalm 105:37 declares: "He also brought them out with silver and gold, and there was none feeble among His tribes." The psalmist is speaking about the children of Israel and their exodus from Egypt. Consider in what manner the Lord had them exit slavery! It was not in some pathetically poverty-stricken, weak and weary state. Rather, it was in an abundance of blessing - both material and physical. Precious friend, I know this pandemic season may have left you tempest-tossed. But, my declaration over you is this: May you exit this pandemic as the Israelites exited Egypt. May you exit with more than what you entered and with no foul thing clinging to your God-saturated self!

lighting up the Limpopo.

Our team continues persevering in Limpopo, South Africa with much enthusiasm and determination, boldly preaching the Good News.

Mini-crusade after mini-crusade has been held in village gathering places, outside post offices where throngs queue for social grants, beside taxi ranks and alongside soccer pitches. Even though numerous challenges have been faced, including opposition from those of other faiths, we are excited to report that during the month of August, an extraordinary harvest of 1,318 precious souls have said "Yes!" to Jesus as a result of the labours of our team. Hallelujah! Every one of these new believers received follow-up material and was connected to a local church. The pastors are thrilled. Even in the midst of a pandemic, their congregations are growing and the Kingdom of God is being advanced. At each mini-crusade, after the Gospel has been preached, the sick receive prayer and demons are cast out. The lost are leaving saved, healed and delivered. How fantastic! The Lord is at work and what a privilege it is to work with Him. "The fire of God is burning in our bones and it does not allow us to keep quiet," voices Ev. Frank, our team leader. "We are strong like lions because of your support and prayers," says Ev. Mashaba, one of the young evangelists labouring with him.

A dusty introduction to the Kingdom of God

Bustling travellers hear about the love of God

making waves.

The list of different villages and towns that have been impacted over this past month is extensive. Such include Malonga, Hanani, Mavhulani, Vuwani, Mudabula, Nghalalume, Kurhuleni, Muswane, Nhombelani, Navelani, Shigamani, Gumbani, Malamulele and Giyani. At present, while we wait for larger, mass gatherings to be allowed in South Africa and Ethiopia where our remaining crusades for this year shall - by the grace of God - still be held, we will keep on winning the lost in the highways and byways of Africa, one mini-crusade at a time! We thank you for your continued financial and prayer support. Without you, none of these soul-saving endeavours would be possible.

A mini-crusade under an obliging tree

Ev. Frank preaches at the taxi rank

new e-booklet by Tamryn: Teach Us to Pray

In Luke, the disciples are recorded to have asked Jesus, "Lord, teach us to pray" (Luke 11:1). I have heard it said that prayer is simply speaking with God and I agree with this statement - I have said it myself. Yet, there are certain principles that when understood, elevate our prayer lives to the next level of impact. Yes, prayer is speaking with God. However, it is also working with God. Through prayer, we work with Him to bring about His will on earth and war with Him against the powers of darkness. I frequently explain that witnessing to the lost and laying hands on the sick involves a partnership with God. If we speak to people about Jesus and minister to them in the name of Jesus, God does the saving or healing work. In short, we bring the voice and touch and He brings the power punch! Similarly, prayer is also partnering with God. Just as the Father needs our words of witness to save a soul, so He needs our prayers to manifest His Kingdom on earth. This e-booklet communicates six key prayer principles. Understanding these principles and then applying them to your prayer life will result in your prayers bearing much fruit. Such will also result in you enjoying your prayer life more and hence, you will be motivated to pray more often! In Hosea 4:6 we read, "My people are destroyed for lack of knowledge." Equip yourself with the knowledge that follows and I am utterly convinced that your prayer life shall soar to new heights.
