DEMBI DOLO

Highlights from our Ethiopian crusade in December 2025

AN OPEN DOOR

Located deep in western Ethiopia, Dembi Dolo has been at the epicentre of significant unrest in recent years, circumstances that repeatedly prevented us from holding a crusade there. The birthplace of our Ethiopian Director, our entire team was eager to proclaim the goodness of God in this community. We were all thrilled that the violence settled enough for a mass gathering to be permitted by local authorities—and we were not disappointed! Our Ethiopian team laboured tirelessly for many weeks prior to the crusade, laying the groundwork by partnering with the churches, training their believers, marketing the crusade and conducting outreaches in the surrounding villages. The crusade itself was a triumph. Despite Dembi Dolo being a small town, thousands gathered to hear the Gospel in service after service. They danced and sang with exuberance yet listened to the preaching with remarkable attentiveness. We held seven meetings over four days on an expansive open field, centrally located. The lost were saved in great numbers, mighty miracles manifested, and demons fled. Believers were filled with the Spirit and equipped to share the Gospel with signs and wonders following.

B R E A K I N G B O N D A G E S

Gamula is a 35-year-old government employee and father of two. He was in a serious car accident six years ago that left his right leg badly broken. Although it had healed to a degree, he lived in constant pain and could never put full weight on it. Arriving at one of our services, the pain became so unbearable that he folded his jacket into a pillow and lay down at the edge of the field to rest—and that is where the Lord met with him! As he lay there, he was overwhelmed by the power of God. When he stood, he discovered that his leg was stable and the pain that had plagued him was completely gone. “I am so happy!” he testified on stage, jumping up and down. “Praise be to the Lord!”

Nashee, a 58-year-old mother of four, had been bedridden for eight months due to severe problems with her womb and ovaries. She lived in a nearby village and had come into town for a medical appointment—then decided to attend the crusade. “I sensed fire all over my body,” she exclaimed. “Suddenly, the pain and discomfort vanished!” She fell to the ground in worship before dancing across the stage, rejoicing.

Dagafa, at 95 years old—and may we say, still looking fantastic!—shared his story. Three months ago, he survived a severe electrical accident. The shock threw him to the ground, badly injuring his back. Since then, he had been unable to walk or even stand without intense pain. During prayer for the sick, Jesus healed him completely! He kicked his legs and jumped on stage, radiant with joy. “I thank the Lord for His grace. I am so grateful to Him!”

HEAPS OF HEALING

Dure, a 43-year-old university lecturer, had suffered persistent, stabbing pain after falling onto a metal chair leg during an accident on campus. Sitting and walking had been agonising. During prayer, she felt a cold sensation sweep through her body—and instantly all the pain disappeared. What a mighty God we serve!

Gemechu, a 45-year-old pastor, had endured such severe pain in one knee for three years that he could not climb stairs. Now, that knee is torment-free.

Yeshe, a 40-year-old businesswoman, had suffered numbness and weakness in her right hand for four months. “It did not work at all,” she said. After prayer, her hand functions normally. We give God all the glory!

FABULOUS FREEDOM

Yamitu, a 65-year-old businesswoman, had suffered from serious kidney problems for seven years. “I could neither stand nor sit to work,” she told us. “I wept from the pain day and night. I struggled to do my job.” During prayer, she felt the power of the Lord come upon her. Joy flooded her heart and every trace of pain left her body. Ululating on stage and lifting her hands to heaven, she rejoiced: “I am completely healed! I feel free. I am so happy!”

One woman, Hambaye, aged 50, had battled severe kidney problems for twenty years. “I was unable to work,” she explained. Caring for her six children had been extremely difficult. Since attending our services, every symptom has disappeared. She no longer has any pain or discomfort but is rejoicing in her newfound freedom!

Bultu, a 42-year-old father of two, had battled kidney and knee problems for seven years. Walking was difficult and passing urine was a constant struggle. Many doctors and hospitals had been unable to help him. However, after being touched by Dr Jesus, he is completely healed! “My life has changed,” he testified. “I give all the glory to God!”

SAINTS ABLAZE

On the final day of the crusade, all evangelical churches closed their doors and everyone flocked to the field for a mass morning service. We showed our gratitude to the pastors and volunteers by presenting them with Certificates of Appreciation with their own Amharic copy of Ev. Tamryn's book—"Spirit of Fire"—which teaches on the Holy Spirit and evangelism. Tens of thousands attended the afternoon service, during which we prayed for the baptism of the Holy Spirit after one final teaching on the subject. It truly felt as though heaven touched earth as thousands lifted their voices in worship—and the fire fell! We also prayed over the many prayer requests submitted throughout the crusade period. Though a heavy rainstorm interrupted the service, the people were wonderfully resilient. Those who scattered for shelter soon returned once the worst had passed and we were able to finish the meeting on a high note. The pastors are thrilled at the impact this crusade made and are hard at work following up the thousands of new converts.

HEARTFELT THANKS

The pastors are overjoyed at the success of this campaign and are actively following up the thousands of new converts. We believe their churches will explode with growth and that the Lord will make Nekemte a true lighthouse for the Gospel!

We are truly grateful to our partners for making this crusade possible. Your prayers and financial generosity have once again resulted in tens of thousands being reached for Jesus. Heartfelt thanks. We give all glory to our Lord.

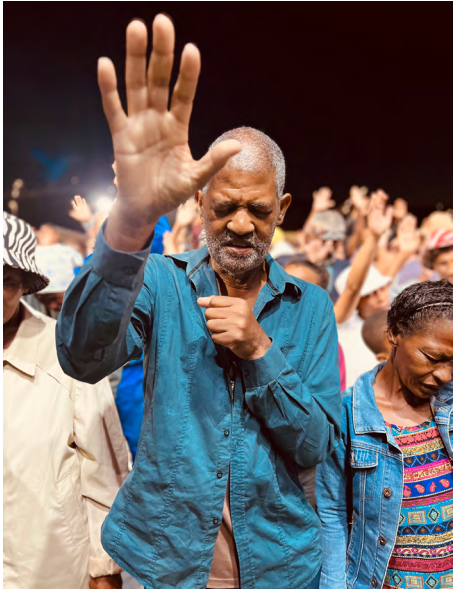

SUPPORT OUR WORK

WAVE ON WAVE

Our WOWZA evangelists continue to light fires of revival across the nation. Neo Makhubo and Freddie van Rensburg and their teams travelled between schools in Thembisa, Orange Farm, Midrand, Diepsloot, Katlehong, Thokoza and Vosloorus—all located in the Gauteng province. Ev. Lenn Ressou held multiple outreaches in Delft, Kraaifontein, Happy Valley and Scottsdene in the Western Cape. Ev. Edward Ackerman had another brilliant campaign in Cloetesville after the success of his Bredasdorp outreach and Ev. Maans Spamer ministered with his team in Groot Brakrivier. Further outreaches will still be held this December in Ravensmead and Elsie's Rivier, both drug-ravaged communities in the Western Cape.

CALLING ALL EVANGELISTS

We had a spectacular event for around a hundred fire-filled evangelists on Saturday, 29 November at the Barn Church, Johannesburg. Evangelist Support Network, the Global Network of Evangelists, and the Global Evangelist Alliance rallied together to host a day of equipping, encouragement, and impartation for those on the frontlines of soul-winning. The day was packed with multiple impactful sessions. We heard inspiring messages from Ev. Tamryn Klintworth and Dr. Desmond Henry. We listened to panel discussions that addressed both the personal and ministry life of the evangelist. We took part in dynamic table discussions that gave each one the opportunity to present their perspective on various topics. We also connected with each other—and brainstormed how to better collaborate—over great food and coffee. A time of worship and prayer ended off the day, as Ev. Tamryn and Dr. Desmond laid hands on each individual present. We look forward to many more such events in the future as we continue to train and support those called to the evangelistic office.

FICHE, ETHIOPIA

Now, our Ethiopian team sets their sights on executing the last village crusade for this year, such to be held in Fiche from 18-21 December. Situated around 114km north of Addis Ababa, its evangelical population is less than 5%. Thank you for your continued prayers for them as they minister on the frontlines.

M E R R Y C H R I S T M A S

This year was filled with memorable soul-winning and believer-equipping endeavours that would not have been possible without your prayers and generosity. Thank you for standing with us in every initiative by giving so faithfully of your time and treasure. We wish you a truly blessed holiday season. May it be a joyful time as we celebrate the birth of our Saviour and take some much-needed rest. Please note that our offices will close on 15 December and reopen on 5 January. We look forward to advancing the Kingdom together with you again in the new year. All for His glory!
