BEDELE

Highlights from our crusade in Ethiopia, February 2026

VICTORY IN BEDELE

From 19 to 22 February, our four-day, seven-service Gospel Crusade in Bedele, western Ethiopia, marked a historic move of God in this strategic town. Though an important regional hub, no major evangelistic outreach had taken place there since 2018 and only around 20% of its inhabitants were born again—a number that has grown significantly due to our campaign! In the weeks leading up to the crusade, our team trained local believers in evangelism and took them onto the streets and into the marketplaces to win the lost. We pray that, after this training and our crusade, the churches will grow increasingly zealous in their soul-winning efforts.

Opposing religious groups challenged our coming to Bedele, resulting in our permission for the local stadium being revoked at the last minute. We thank the Lord for giving us tremendous favour with the mayor (a wonderful, God-fearing man) who assisted us in clearing the ground alongside the stadium, which was being used as a construction site. While pipes and logs remained strewn about, they providentially served as seating for the people. From the very first service, thousands called on the name of Jesus for salvation. Over the following days, crowds grew dramatically as news spread of what God was doing. Messages centred on the blood of Jesus, the sickness of sin, Christ our Shepherd, and the miracle of being born again. Each service concluded with prayer for the sick—and extraordinary miracles manifested!

M I R A C L E S A B O U N D

Mulunesh is a 45-year-old mother of seven. Eighteen years ago, her scalp began itching violently and unceasingly. She scratched it so badly that it bled. “The blood would run down my face,” she said. “I would eat with one hand and scratch with the other. It affected everything I did.” In addition to this torment, she suffered from terrible pains in her womb and one leg. During prayer, she felt the power of God come upon her. “I felt something leaving me,” she explained. “The itching, the pain, everything left in a moment.” Rejoicing, Mulunesh is ecstatic.

Terefe is a 68-year-old grandfather. Two years ago, a tumour started growing on his left leg and had become very large. Living in a nearby village, he had journeyed to Bedele to consult with a doctor. Seeing the crusade being promoted, he decided to attend a service. Listening to the message being preached, he decided to ask Jesus to be his Saviour. It was during the prayer for salvation that the Lord touched him, not only making him a child of God but also vanquishing the tumour. During that prayer, Terefe collapsed under the power of God. When he revived, the tumour was gone! Elated, he rushed forward to testify.

Tsehay is a 36-year-old widow and mother of two. Five years ago, a lump developed in her breast and her womb started hurting as well, making her job as a cleaner increasingly difficult. Now, following prayer, the lump has vanished and the pain is gone.

H A R V E S T O F H E A L I N G S

Bikiltu, aged 40, is already a believer. She attended the crusade to worship the Lord and receive prayer for healing. For nine years, the entire right side of her body had been without feeling. She dragged one leg behind her, struggling to walk. Now, all sensation has returned. “My life has completely changed!” she declared. “Thanks be to God!”

Jete is an elderly woman, between 80 and 90 years old, though she is unsure of her exact age. She had three children, but all have passed away. Fifteen years ago, severe pain began shooting down her legs. “I could not walk, I could not sit,” she said. “Everyone here knows me. They know how I suffered.” During prayer, Jesus healed her completely. Bouncing about on stage, Jete could not contain her excitement and embraced everyone around her.

POWERFUL DELIVERANCES

Tigist is 53 years old. She had suffered from severe insomnia for the past two years. She had visited the hospital many times, but nothing the doctors recommended had helped. Desperate, Tigist attended a service. That night, she slept soundly and peacefully. Praise the Lord! She had also battled with unrelenting back pain, which disappeared in a wave of healing power.

Jitu is a 35-year-old mother of two who had struggled with high blood pressure since she was a teenager. The problem had plagued her for the past twenty years and every time she had her pressure tested, it was dangerously high—but not since attending our crusade! She went for a check-up and for the first time, her blood pressure was normal. Jitu is jubilant.

Idilu is a 35-year-old farmer. More than a decade ago, he started suffering from serious abdominal pain. It felt like something was eating him on the inside. Soon after the pain began, his head began to hurt as well. Daily life was a torment for him. During prayer, he experienced what he described as fire falling upon him. Then, the pain left! His stomach and head are now completely agony-free. “I can do what I could not do before!” he shared. “I thank Jesus who saved me!”

BELIEVERS SET ABLAZE

Our final day was a day of fire, Holy Spirit fire! All evangelical churches closed their doors and joined together on the crusade field for a united mass morning service. The Gospel was preached, Certificates of Appreciation were presented to the church leaders, and Amharic copies of Ev. Tamryn's "Spirit of Fire" book were distributed. In the afternoon, we gathered again for one last meeting. People sat everywhere—on all sides of the stage, perched in trees, atop parked trucks and stacked pipes. Ev. Samuel preached the Gospel, reading from Genesis 3 and explaining that God created mankind to be in relationship with Him and how Jesus made this possible. The Lord was called upon with enthusiasm. Ev. Tamryn followed with a final message on the Holy Spirit—building upon a teaching she had started the previous day—explaining how to partner with Him to share the Gospel and lay hands on the sick. We then prayed for all to be baptised in the Holy Spirit. It was glorious! Demons fled; people were overwhelmed by the presence of God; bonds were shattered; and sicknesses skedaddled.

We also prayed for the prayer requests submitted during the crusade period and for the town of Bedele. Extensive time was spent in praise and worship, the atmosphere being one of phenomenal joy and thanksgiving. Throngs of young people continued singing as they left the field, dancing down the streets of Bedele and chanting, "The Gospel has power!" Without doubt, the believers of this town have been set ablaze to be the mouth and hands of Jesus. May the Lord use each of them mightily for His glory!

HEARTFELT GRATITUDE

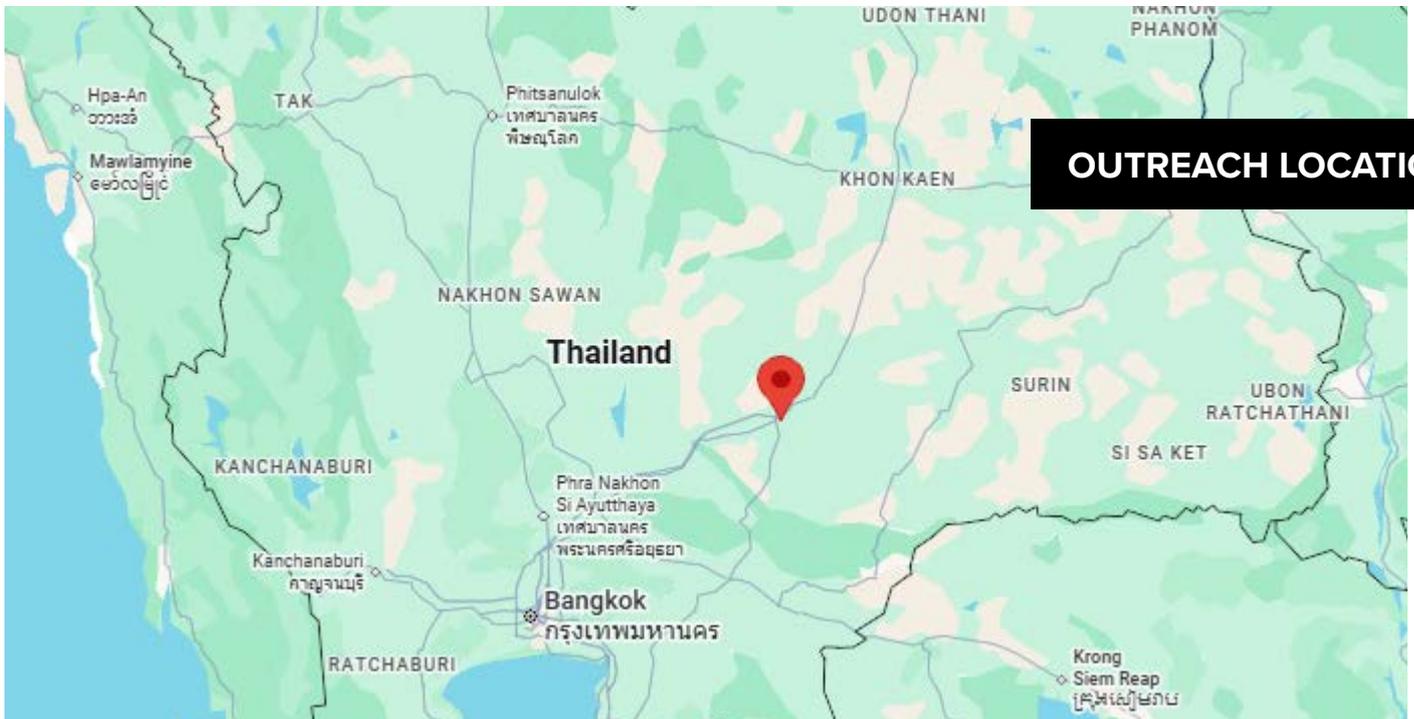

We extend our gratitude to all of you who made this crusade possible through your prayers and giving. Thank you for being part of this eternal victory. As we read happened in Samaria in Acts 8, there is now great joy in this city. The lost have been saved, the sick healed, the captives set free, and believers filled with the Spirit. In short, thousands have been transformed. All glory to our Saviour King!

KORAT, THAILAND

We are a few days away from our very first crusade in Asia! Such will take place in the city of Korat in Thailand from 7–8 March. Only 0.14% of its population is born again. Our Thailand team continues to hold outreaches in various communities around the city, promoting the crusade and preaching the Gospel. Many people are turning to Christ and all are excited for the upcoming event. This crusade is being held in partnership with the Global Evangelist Alliance and the EveryONE Thailand initiative, as we unite with local believers and other ministries to see the nation mightily impacted by the transforming power of Christ. If you would like to sow towards this crusade and help us carry the Gospel to Korat, we invite you to donate today by clicking on the button below.

SUPPORT OUR WORK

U P C O M I N G E V E N T S

Following our time in Korat, Ev. Tamryn will minister at Cornerstone Church in Singapore from 21 to 22 March, where believers will gather for a time of encouragement and impartation. Thereafter, she will preach in South Africa on Easter Sunday, 5 April, at the Be Free Crusade in Delft, Cape Town. In this gang-ravaged community, the Good News shall be proclaimed and many will have the opportunity to encounter the saving power of Jesus Christ.

INVITATION EVENT: CORNERSTONE CHURCH, SINGAPORE, 21-22 MARCH

INVITATION EVENT: BE FREE CRUSADE, DELFT, CPT, 5 APRIL
