SODO

Highlights from our crusade in Ethiopia, October 2026

GLORY IN SODO

What a glorious flagship crusade we had in Sodo, Ethiopia, from 29 October to 1 November. We have planned to go to Sodo ever since we began crusading in Ethiopia in 2017, but other locations took priority—until now! Sodo is a strategic city in southern Ethiopia, being the administrative and trading centre of the Wolaita Zone, with a growing population of half a million people, a major university, thriving businesses, and a strong agricultural economy. This city is a centre of influence, making it vital for the Gospel to reach the people who live, work, and study there. Before we arrived, less than 40% of Sodo's population identified as evangelical. Now, tens of thousands more have heard the Good News—preached over four days and six services—and the pastors are hard at work following up the new converts and establishing them in the local churches.

Many special guests joined us for this crusade, including dear friends from South Africa and Sweden, as well as a large group from Faith Church in Orlando, Florida. They were an incredible blessing to Sodo, not only helping with crusade tasks but also equipping Christian businesspeople and ministering in the local prison, hospital, and schools.

MIRACLES MANIFESTED

Bereket (20 years old) had a protruding tumour in his abdomen that was so large he struggled to walk. During prayer, it disappeared! He can now walk normally—and even jump, which he joyfully demonstrated on stage. And there is more: Bereket received Jesus as Saviour. God saved and healed him in a single service. Praise the Lord!

On Friday evening, a young man named Tamrat came running towards our team, fell to his knees and desperately begged us to pray for his 11-year-old nephew, Beamlak, who had suffered a severe head injury in an accident. The boy was in intensive care and doctors were 99% certain he would not survive. We gathered to pray, as Tamrat clutched his nephew's bloodstained shirt. The following morning, we visited the hospital and were greeted by spectacular news: Beamlak's condition had miraculously improved overnight—he no longer even needed oxygen! He is now recovering remarkably well, with his mental abilities completely unaffected. We give God all the glory!

Haptamu is a 30-year-old former painter. Already a child of God, he came to the service at the invitation of friends who told him there would be prayer for the sick. Haptamu had a large tumour under his right arm that restricted his movement. He also struggled to lift his right leg. These two conditions had left him unable to work for some time. Following prayer, the tumour disappeared and he can once again lift his right leg without pain or restriction. "I can work again now!" he declared ecstatically. "Today is my day. Jesus has healed me!"

HEAPS OF HEALINGS

Babisu is a 49-year-old pastor from Selambar, a small town around 60km southwest of Sodo. Three weeks earlier, he was involved in a motorcycle accident. Due to the severe pain that persisted—making walking extremely difficult—he travelled to Sodo to seek medical help at the hospital. After hearing about the crusade, his brother carried him into the meeting. Marvellously, during prayer, Babisu was completely healed. He can walk normally and even run. Praise the Lord!

Nathan is 65 years old. He heard the preaching from a distance while he journeyed through town. Curious to find out what was happening, he made his way to the crusade field. For the past two years, he had been unable to put any weight on his one foot, which made walking both painful and laborious. After prayer, he testified that he can walk without any difficulty. His foot has regained its full mobility. What a wonderful testimony!

HEALINGS CONTINUE

Yohannes, a 60-year-old pensioner, had suffered from debilitating back pains for the past two years. “I could not walk,” he explained. Already a believer, he attended the crusade to hear the word of God. The Lord blessed him twofold, not only with fresh revelation from heaven, but also with a pain-free back. “My life has changed!” Yohannes voiced. “I am free—I can walk without pain. I thank God!”

Yohannis is a 42-year-old medical doctor. For a month, he had been experiencing pain in his chest around the heart area, which affected his ability to lift his arms properly. During prayer, he placed his hand on his chest and felt something moving. He can now raise both arms freely again, without pain.

DYNAMIC DELIVERANCES

Tamrat (29 years old) had been unable to move his right arm properly since a car accident five years ago. He underwent surgery and had metal implants inserted into that arm, which terribly restricted its range of movement. His condition left him unable to work, forcing him to resort to begging to survive. During one of our services, he jubilantly testified that he could move his arm again! He went down on his knees on stage, worshipping God.

Abraham is a 23-year-old bakery worker who had suffered from stomach pain for six years, describing it as a persistent burning sensation. Already a child of God, he attended the crusade specifically to receive a miracle. During prayer, these symptoms disappeared. Miracle received!

Tadios is a 47-year-old teacher and father of four. For more than 15 years, he had suffered from serious stomach and digestive problems, as well as a constant soreness in his right leg. Following prayer, he reported that every ailment had disappeared. His body feels strong and liberated. “I thank God!” he exclaimed. “I am completely free and happy!”

BELIEVERS IGNITED

As is customary at our crusades, Ev. Tamryn taught on the baptism of the Holy Spirit and how to become a yielded vessel for His use. When we prayed for the fire to fall, we witnessed how precious believers were filled to overflowing. May they become mighty preachers of the Gospel, with signs and wonders following!

We also presented Certificates of Appreciation to the pastors and volunteers and gave them free copies of the Amharic edition of our “Spirit of Fire” book, which teaches on the Holy Spirit and evangelism. We have just printed a new batch with a redesigned cover to better reflect the latest English edition.

In the final service, we prayed over all the prayer requests submitted during the crusade and spoke a blessing over the people, their pastors and the city of Sodo. We concluded with great rejoicing, as our team and guests joined the local pastors on stage for a wonderful time of dancing and celebration. What a glorious way to end our time together!

July to October 2026

ETHIOPIA

FIELD CRUSADES

Our Ethiopian team held a phenomenal Field Crusade in Yebelo, Ethiopia, from 29 July to 2 August 2026. With only 11% of the town identifying as evangelical, the need in Yebelo is great. In partnership with local churches, our team trained 200 believers in soul-winning before taking the Gospel into marketplaces and communities. They also held powerful open-air meetings where the Gospel was boldly proclaimed, the sick were prayed for, and demons cast out. As a result, 1,200 people surrendered their lives to Christ, and numerous testimonies of healing and deliverance were recorded.

Fatuma, a 38-year-old woman from a Muslim background, had suffered from kidney problems for more than three and a half years. During the Friday service, the Lord Jesus touched and completely healed her. All her pain disappeared and she joyfully shared her testimony during the Sunday service, giving all the glory to Jesus Christ.

Loko Adi, a 32-year-old woman, had been experiencing severe neck pain and was unable to turn her head without discomfort. She received prayer on Saturday and the Holy Spirit touched her instantly. She was completely healed and could move her neck freely without any pain.

Jello Luba, a 48-year-old man, had endured severe pain in the soles of his feet for two months. After receiving prayer, the pain disappeared completely. He was instantly healed!

Nagee Sobuka, a 22-year-old woman, had been mentally disturbed for one year. During prayer, demons manifested and she was completely delivered. She returned to a normal, healthy state and was fully restored.

SOUTH AFRICA

WOWZA 2026

Our WOWZA teams held seven outreaches and two open-air crusades from July to October. They ministered in Westbury, Thembisa, Westdene, Newclare, Newlands, Cosmos City, and Coronationville—townships located in Johannesburg—and in Soshanguve—a township north of Pretoria.

During the outreaches, they intentionally partnered with local churches and trained believers to be bold witnesses in their communities. They then engaged in one-on-one evangelism and open-air events, taking the message of Christ to the streets, residences, and marketplaces. Many souls responded to the invitation to follow Christ and received prayer!

Our WOWZA evangelists held one crusade from 13 to 15 August in Westbury, Johannesburg and another from 28 September to 3 October in Cosmos City. Our International Crusade Director, Ev. Samuel Murrombe, was among those who ministered throughout the crusades. As the Gospel was boldly proclaimed, many people responded to the message of Jesus, came to Christ, and received healing. Many were also filled with the Holy Spirit as the team called believers to rise up and become witnesses in their communities.

SOUTH AFRICA

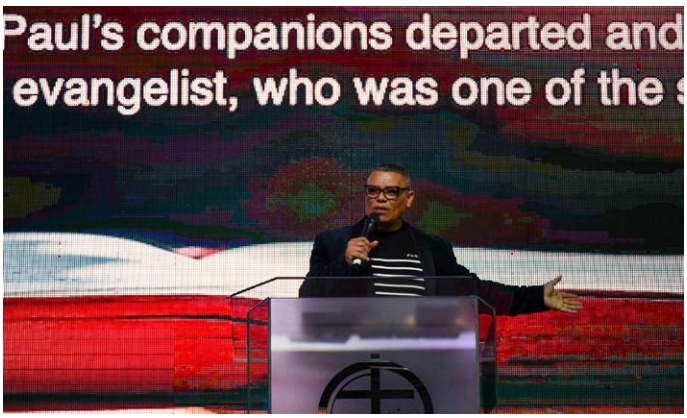

EVANGELISM EVENT

On 25 July, In His Name Ministries, the Global Evangelist Alliance, the Global Network of Evangelists, Christ for All Nations, Lightlife Evangelistic Ministries, and the Cape Town Evangelist Network joined hands to host an exciting day for soul-winners at Orion Church International in Cape Town. The gathering brought together evangelists, pastors, ministry leaders, and those with a passion for evangelism for a full day of encouragement, impartation, and Kingdom connection.

The programme featured powerful ministry sessions from Ev Edward Ackerman, Dr Desmond Henry, and Ev Tamryn Klintworth, who each challenged delegates to remain faithful to the call of the evangelist and to pursue the harvest with purity and passion. Three engaging panel discussions explored the calling of the evangelist from different perspectives. The first panel—The Pioneers—honoured seasoned evangelists who have faithfully served the Lord over decades. The second—The Next Generation—showcased younger evangelists who are carrying the torch into the future, while the final discussion—Ministry and Family—provided valuable insight into balancing ministry and family life.

Delegates also heard from Advance Groups, JOY! Magazine, and King's Army, who all highlighted practical opportunities for collaboration and ongoing support for evangelists. The day concluded with a powerful time of worship, during which hands were laid on all in attendance and the Holy Spirit moved mightily.

INVITATION EVENTS

EMPOWERED21 AFRICA CABINET

Ev. Tamryn spent a wonderful few days in Accra, Ghana, immersed in ministry, fellowship, and strategic meetings. It is a tremendous privilege for her to serve on the Empowered21 Africa Cabinet, representing the Global Evangelist Alliance. Africa has extraordinary leaders. While each cabinet member is already shaking nations for the Lord, they still serve with such humility, eagerness, and generosity, dreaming and planning together for even greater Kingdom impact.

CFAN REVIVE JOBURG

Ev. Tamryn also spent a fire-filled weekend with CfaN at their Revive Jo'burg Conference on 4 and 5 September, ably hosted by the amazing Ps Peter de Fin and his incredible Acts Church team. The Lord moved mightily in every session and it was such a joy to minister alongside some incredible fellow evangelists, who are shaking towns, cities and nations for Jesus!

UNITED STATES

Ev. Tamryn was invited to minister at Church in the Son and Faith Church in Orlando, Florida, as well as Champions Assembly in Davenport, Florida. Many were saved and hands were laid on all in need of prayer, the altar being packed with hungry hearts in service after service. The Spirit moved with power and lives were forever changed.
