MINI-CRUSADES

AN EXCITING NEW INITIATIVE

**SPECIAL
EDITION**

the plan.

Our team has embarked on yet another exciting project as we wait for mass gatherings to be allowed once more, so we can push ahead with our Gospel Crusades. In the middle of July, our Crusade and Technical Directors travelled to Limpopo, South Africa, a province in which many of our crusades are held. There, they put together a small team that consists of our Limpopo Crusade Coordinator, Ev. Frank Makhubele and some young, Limpopo-based evangelists and volunteers. They equipped them with a small sound system, loudhailers, decision cards and follow-up material. The result? Mini-crusade after mini-crusade that have already yielded the matchless fruit of souls saved, handful by glorious handful! How do they go about it? Ev. Frank explains. "Whenever we enter a village to minister, we knock at the door of the presiding headman and show him

our permits. When he agrees that we can minister the Gospel in his area, we call the villagers via loudhailing to meet us at such-and-such a place in an hour or two. By the time we are loudhailing, our sound team is busy connecting the sound at the spot where our service will be held. Soon, people gather. After sanitizing their hands, we make sure that they sit or stand far enough apart from each other to ensure proper social distancing. We always break the ice by sharing some COVID-19 awareness, advising them of the regulations set by our government. We then preach a red-hot salvation sermon that ignites hope and courage. The response to the altar call for salvation shows how hungry people are for God in this pandemic season! We collect the details of all the new converts and give them follow-up material. We then give the decision cards to local pastors in the village."

the results.

In their first two weeks of these mini-crusades, our team visited the villages of Vuwani, Shihosana, Nwamatatani, Mukhomi, Machele, Tlangelani and Dumela. We are thrilled to report that 238 precious people received Jesus as Lord and Saviour and are now being disciplined by local pastors. Hallelujah! It is your prayers and contributions that are making these mini-crusades possible. Because of you, even in the midst of a pandemic, men and women in rural Africa – who have insufficient resources to access the Gospel online – are becoming children of God through face-to-face preaching. Heartfelt thanks! These mini-crusades will be held throughout each week moving forward. Africa continues to be saved!
