The report.

ES Connect 2019 was held from 29 - 31 August 2019 in Pretoria, South Africa. Evangelists were mightily equipped to fulfill their purpose with knowledge, direction and Spirit-saturated confidence. They heard from internationally sought-after speakers on topics ranging from intercession and ministering to administration and crusade planning. Those pouring their God-given wisdom into the delegates included Suzette Hattingh of Voice in the City, Christine Blumstein of Kenneth Copeland Ministries, Aidan Jeffery of CRC Cape Town, Anton van Niekerk of Cornerstone Church, Thea Britz of Christ for all Nations, Francois de Jager of Salvation to Every Nation and from In His Name Ministries, Tamryn Klintworth, André Britz and Samuel Murrombe. Time was set aside for question and answer sessions as well as heartfelt fellowship. Lifelong relationships were forged and divine connections built. The conference concluded with a powerful time of prayer and impartation with hands being laid on all in attendance. It was an unmissable gathering that will bear abundant fruit.

The feedback.

It was a
time of divine
connections.

Herman Snell

ES Connect 2019 was an unforgettable experience for me. It was absolutely empowering and greatly expanded my scope of God's way of doing things in ministry. Each session was not only informative but tangibly impacted the heart. I had such a wonderful time making new friends in ministry as well. It was a time of divine connections. I am so glad that I could be a part of this and am looking forward already to the next one.

The fire
burns even
brighter.

Words cannot adequately express the great work that has been done in my heart through ES Connect 2019. I've done a few online evangelism courses, but none have been as helpful to me and my team as this conference. The fire that burns within me to see Africa saved, burns even brighter now because of what was imparted to me at ES Connect. Thank you, ES Network and thank you to every sponsor who made this conference possible.

ES Connect 2019 blessed and inspired me tremendously. Every session was unique, imparting knowledge and strategies that can be used in the daily running of an evangelistic ministry. It was also a great pleasure to connect with fellow soul-winners. I am excited to apply all I have learnt and am now even more zealous to see the lost saved. Thank you, ES Network from the bottom of my heart for this God-given vision of empowering and connecting evangelists.

“
We grew in
our walk with
the Lord.

Grant & Theunisina Neyt

Each speaker impacted us tremendously. We did not only learn how to better run a ministry but also grew in our walk with the Lord. A few highlights for us included learning how to impact the communities in which we crusade on an even greater level; understanding that God will provide where He leads; realising our responsibility to take a hands-on approach when equipping the Body of Christ for soul-winning. Thank you for all the effort put into this conference! We have been changed.

“
We received
more than
expected.”

Andy Mahlagaume

We are so grateful to the ES Network team for their heart to share resources, ideas and knowledge. ES Connect 2019 increased our understanding in so many areas, including how to rally a community to intercede for a crusade, dealing with donors and finances with integrity, trusting the Lord in all things, administrating a ministry effectively and working with the Holy Spirit. We received far more from the conference than we could ever have expected and built relationships with many wonderful, fellow evangelists. Our hunger to serve God, win souls and proclaim the Gospel to all corners of the earth has been stirred up even more. Thank you very much!

Thank you to
all our partners who
made ES Connect 2019
possible.
