A COLLECTION OF MEMORIES FROM JUNE TO AUGUST 2025

A WORD FROM TAMRYN

From June through August, we witnessed God moving powerfully across the nations! In Thailand, we held our very first Fire Conference outside of Africa—equipping hundreds of leaders, distributing the newly released Thai edition of my book, “Spirit of Fire” and witnessing remarkable healings and salvations both in churches and on the streets. In South Africa, our WOWZA evangelists pressed on in the township of Thembisa, training believers and reaching the lost. In Ethiopia, our team boldly advanced into remote villages, where thousands were saved, miracles abounded, and churches were strengthened ahead of our upcoming mass crusades later this year. In addition to these activities, my own travels extended to Finland, America, and Zimbabwe. These exciting events and the success of our recent outreaches have heightened our expectation for what God is going to do in the final few months of the year. As you read through this newsletter, I pray you will be encouraged by all the Lord is doing—and bear witness to the tremendous impact made by your faithful prayers and support.

THAILAND

FIRE CONFERENCE

What a remarkable triumph! On 11 and 12 August, we held our first Fire Conference outside of Africa. Ev. Tamryn Klintworth was joined by Evangelists Samuel Murrombe, Rochelle Hicks, and Neo Makhubo. The conference was held in the largest church in the largest city of the Nakhon Ratchasima province, which has less than 0.2% of its population following Christ. It was attended by hundreds of church leaders from across this province, who then took what they learned back to their own congregations.

The first day of our Fire Conference was glorious. Ev. Tamryn started the day off by teaching on the baptism of the Holy Spirit and how to partner with Him to win the lost with signs and wonders following. Ev. Samuel followed with his testimony of going from prison to becoming a red-hot preacher, encouraging everyone that God can use anyone. In the afternoon, Evangelists Rochelle and Neo spoke on practical measures, explaining how to share the Gospel and pray for the sick with clarity and confidence. In the evening, Ev. Tamryn ministered on our relationship with the Lord and hands were laid on all who desired prayer. The Holy Spirit moved with power and we were overwhelmed by His presence.

The second and final day of our Fire Conference was every bit as spectacular as the first! Ev. Tamryn preached on prayer, the anointing, and the gifts of the Holy Spirit, ensuring that our delegates are fully equipped to labour with God both in the prayer closet—as they pray for the salvation of Thailand—and on the streets—as they share the Good News that Jesus saves. Hands were laid on all in attendance and an incredible time spent in the presence of the Lord.

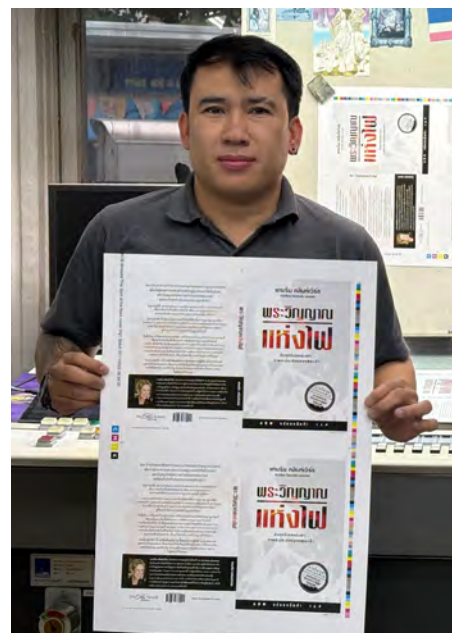

MINISTERING IN THAILAND

Both before and after our Fire Conference, Evangelists Tamryn, Samuel, Rochelle and Neo ministered in various churches and participated in soul-winning outreaches. Both in the church services and on the streets, we witnessed a mighty move of God with souls being saved, broken bodies healed, and believers filled with the Holy Spirit. Some of the healing testimonies included an elderly man and a young boy, both deaf in one ear, now hearing perfectly; an older lady, blind in one eye, now seeing; two women who struggled to walk—one dependent on a walker—now moving without pain; and a young woman with asthma weeping as the Lord opened her chest. Evangelists Rochelle and Neo are spending an additional two weeks in Thailand, working with the local pastors to win the lost, equip the saints for soul-winning, and plan for our upcoming evangelistic efforts in this nation.

BOOK TRANSLATION

Ev. Tamryn's book, "Spirit of Fire" has been translated into Thai. Every attendee of our Fire Conference received their own free copy, which takes the reader on a journey from closet Christian to fire-filled witness. Each chapter concludes with Discussion Points, Action Steps and Declarations, encouraging group interaction and the practical application of lessons learned. With the vast majority of people in Thailand unable to read English, this translation will be an invaluable tool in equipping the local church for effective evangelistic ministry in a nation with a tiny Christian population. Each delegate also received a soul-winning wristband and tracts, both of which break down the Good News into six simple steps, enabling the believer to share the Gospel in a straightforward yet powerful fashion.

INVITATION EVENTS

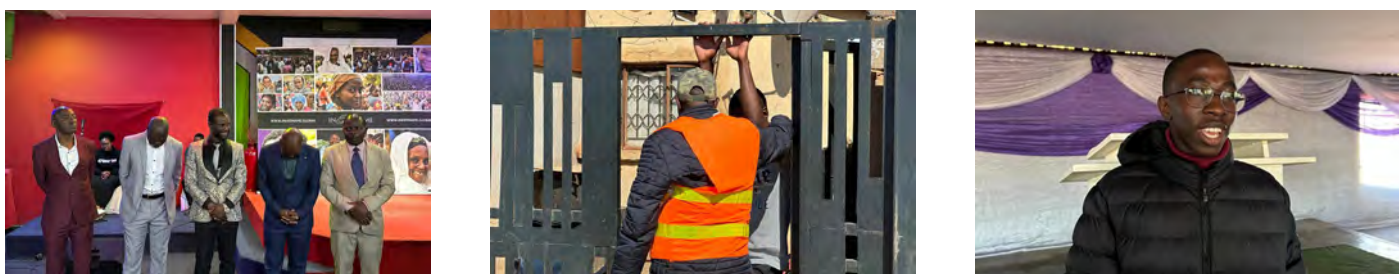

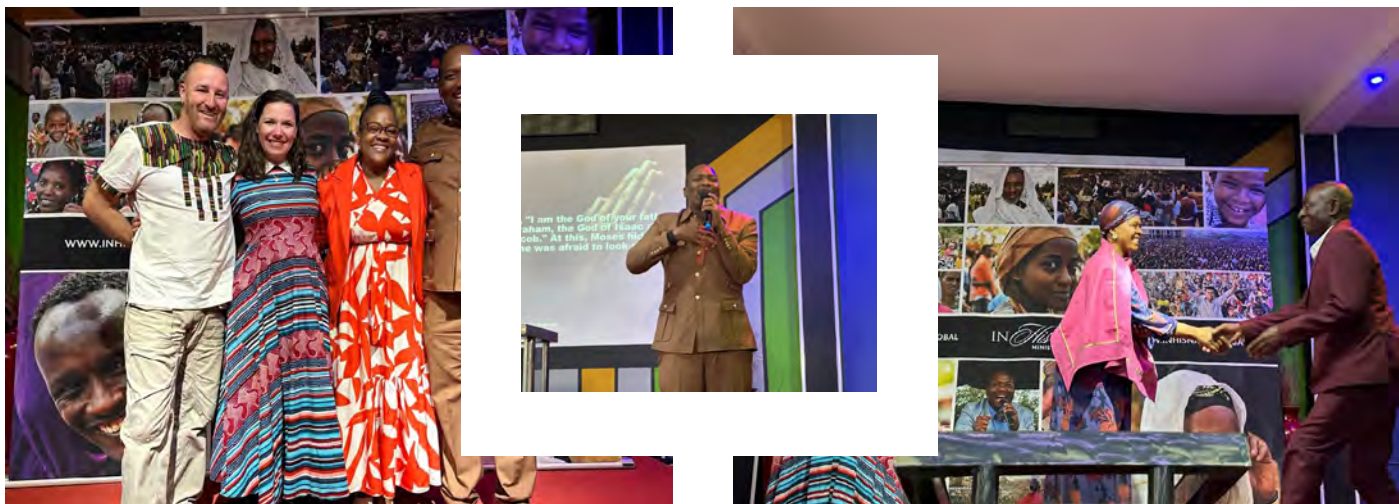

FINLAND / AMERICA / ZIMBABWE

Ev. Tamryn had an incredible time in Finland this June. She met with fellow members of the Global Evangelist Alliance Executive Committee, attended the World Pentecostal Conference and preached at Siion Church in Helsinki on Pentecost Sunday.

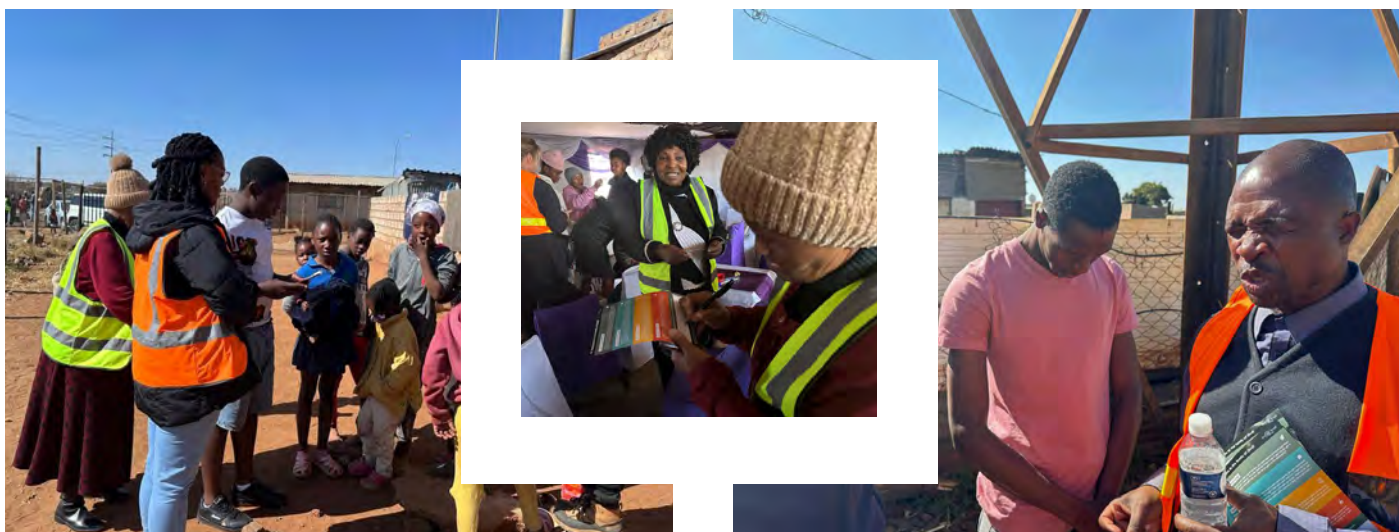

During July, Ev. Tamryn ministered at The River at Tampa Bay Church, serving Pastors Rodney and Adonica Howard-Browne by teaching at their Summer School of Evangelism. She also preached at Faith Assembly New York, a dynamic congregation in Queens, ably led by Pastors Ejaz and Sandra Nabie.

In August, Ev. Tamryn was invited by the Global Network of Evangelists (GNE) to minister at their Love Zimbabwe Festival in the city of Gweru. She preached during one of the main evening services, as well as at a morning conference for women leaders and a local church on the Sunday morning of the festival week. Souls were saved and believers ignited for evangelism. We thank the Lord!

WOWZA 2025

T H E M B I S A

After impacting Diepsloot for several months, our WOWZA evangelists have moved on to take the name of Jesus into the township of Thembisa, which is also found in Johannesburg, South Africa. They have been on the ground since mid-July, ministering there weekly. Their main focus has been to partner with local churches, train their members for soul-winning and take the Gospel out onto the streets through one-on-one evangelism. The lost are being saved and an effective, local evangelism team is being established. Even the chairman of the pastor's forum testified that it was the most wonderful experience to see so many people saying "Yes!" to Jesus. Thembisa is being saved!

ETHIOPIAN VILLAGE CRUSADES

Our Ethiopian team has been working incredibly hard over the past months as they set out to hold outreaches in various villages across their nation. They move with determination into remote areas that many are unable to reach. For each outreach, they focus on partnering with the local churches, training believers for soul-winning, engaging in marketplace evangelism, and holding open-air crusades. Their last three events were held in Adami Tulu (26-29 June), Arjo (15-20 July) and Esho (27-31 August), all villages in the Oromia Region. During each outreach, they preached with power and authority. Hundreds were trained for evangelism, thousands saved, and astounding miracles experienced. Kidney problems disappeared, deaf ears opened, those crippled can now walk, demonic oppression was vanquished, and many Muslims gave their lives to Christ after encountering His matchless power.

UPCOMING MASS GOSPEL CRUSADES

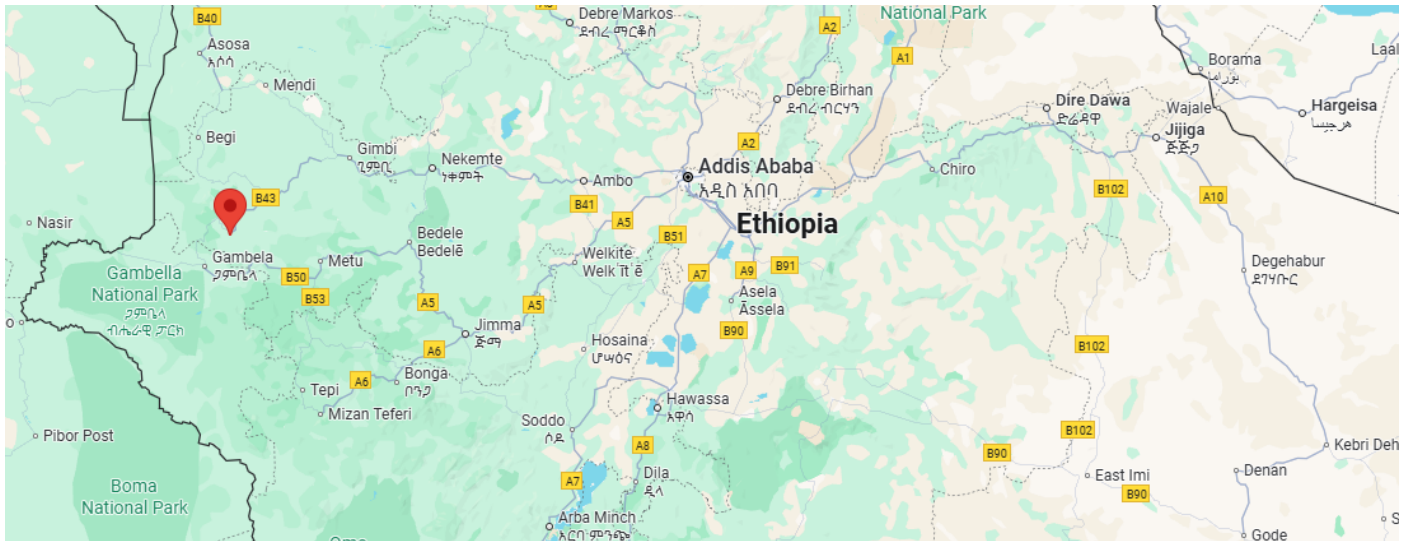

NEKEMTE

We will first be venturing into Nekemte, the capital of the East Welega Zone, located within the Oromia Region in West Ethiopia. This crusade will take place from 30 October to 2 November. Nekemte played an important role in Ethiopian history, culture and the spread of Christianity in the region. It is rich in coffee and maize production and has a diverse religious population, with Protestant, Islamic and Orthodox beliefs all represented. We are ecstatic to be bringing the Gospel and power of Christ to this influential town!

DEMBI DOLO

Our final crusade for this year will be taking place in Dembi Dolo from 4 to 7 December. This is another key location in western Ethiopia within the Oromia Region, also known for its high-quality coffee production and diverse religious population. This town has been experiencing tremendous civil unrest in recent years, which makes it the perfect ground for us to bring the love and peace of Jesus!

As we look ahead to upcoming projects—such as our mass crusades in Ethiopia, continued evangelism in South Africa, and new doors of ministry opening worldwide—we invite you to continue sowing into the work of the ministry, as there is still much to be done. Together, we will see nations shaken and multitudes brought into the Kingdom of God!
